The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Mountain View Pump Station Rehabilitation in fiscal year 2024. The entity to receive funding for this project is the Township of Wayne, located at 475 Valley Road, Wayne, New Jersey 07470.

The funding would be used to support the Township of Wayne in strengthening the Township's ability to manage its local sewage infrastructure to address wastewater concerns. The project would be a valuable use of taxpayer funds because it would help keep pollutants out of navigable waterways by keeping Wayne Township's sewer infrastructure functioning and protected against flooding and other hazards.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mikie Sherrill
